Why *Nadeem*?

- Self-motivated, detail-oriented B2B professional with over 23 years of diverse experience in business development, brand building, distribution strategy, and marketing operations within the FMCG sector. Proven expertise in B2B sales, key account management, corporate partnerships, competitive and sales analysis, strategic planning, budgeting, forecasting, and market segmentation.
- A results-driven team player with a strong ability to manage complex product launches, category management, and trade marketing strategies. Adept at identifying high-potential B2B opportunities, nurturing channel partners, and implementing go-to-market plans that drive sustainable growth and profitability.
- Recognized for leveraging strong communication and negotiation skills to develop customer-centric solutions, streamline distribution networks, and optimize channel performance. Highly experienced in public relations, market data interpretation, and crafting insight-driven marketing strategies to enhance brand and portfolio performance across institutional and enterprise accounts.
- Driving growth through strategic trading, smart sourcing, and market-driven solutions.

NOTABLE ACHIEVEMENTS

- ✓ Leading national sales and distribution efforts for a multi-category portfolio comprising Spices, Ketchup, Pickles, Mayonnaise, Jams, Tea, Salt, and Water at Dewan Foods.
- ✓ Played a key role in driving Fauji Cereals toward achieving a significant sales milestone of PKR 2 billion through strategic B2B initiatives and client relationship management.
- ✓ Received **RSM of The Year Award** in 2012~2016 at Fauji Cereals | **SM of The Year Award** in 2008 - 2009 at Innovative Biscuits | **FM of The Year Award** in 2004 - 2005 at Friends Distribution & Management-Kolson

PROFESSIONAL EXPERIENCE

Dewan Foods (p) Ltd. – Spices, Ketchup, Jams, Pickles (Pantry Staples), Islamabad, Pakistan

Working as **“Head of Business Development”**, July 2025 – Continued

- Looking after the sales & distribution network across the Country.
- Modernizing old norms to drive a new era of growth. Breathing new life into tradition and reinventing our brand's story.

Bereket Naturals (p) Ltd. – Kuvvet Breakfast Cereals, Islamabad, Pakistan

Worked as **“Country Manager”**, November 2022 – June 2025

- Effectively launched the brand across online and offline B2B and B2C sales channels nationwide, establishing a strong presence throughout Pakistan.
- Established distribution networks across KLI through regional sole distributors and expanded into key potential towns via sub-distributors to address the breakfast and consumer healthcare needs of diverse population segments.

Fauji Cereals – A Project of Fauji Foundation, Rawalpindi, Pakistan

Worked as ***“Country Manager Marketing & Sales”***, September 2019 – October 2022

- Transformed the brand presence of Fauji Cereals by ensuring widespread availability across all online and offline B2B and B2C platforms, leading rebranding efforts, driving product diversification, and implementing effective trade and consumer marketing strategies.

Lotte Kolson, Lahore, Pakistan

Worked as ***“Key Accounts Manager – Central & North”***, October 2018 – August 2019

- Oversaw business of IMT/LMT, food services & institutions, while developing planograms/layouts at retail for merchandising products. Supported in trade activation plan & execution for multiple categories
- Promoted products in store by right placement in category, out of category or extra displays. Negotiated contract with top retail brands and ensured implementations through dedicated sales team & distributors

Fauji Cereals, Rawalpindi, Pakistan (February 2012 – September 2018)

Worked as ***“Trade Marketing Manager”***, May 2018 – September 2018

- Rightly developed trade marketing plans in line with brand plan and sales channels, while planning sales and promotion budget to meet plan. Developed planograms/layouts at retail for merchandising products
- Carried out BTL planning, budgeting & activation, and trade activation plans for cereals & pasta categories at international & local modern trade, cash n carry chain outlets and institutions by using best practices

Promotion & Major Achievements:

- Promoted as ***“Trade Marketing Manager”*** after effectively serving as ***“Regional Sales Manager”*** (February 2012 – April 2018). Successfully launched and re-launched Fauji Flakes & Cereals (2012)
- Developed/upgraded to highly efficient distribution & sales network that ensured smooth processes, higher productivity, better results and expanded range of distributors from 55 to 82 from 2012

Innovative Biscuits (p) Ltd., Lahore, Islamabad, Pakistan (Oct 2006 – Jan 2012)

Worked as ***“Key Accounts Manager”***

- ✚ As a Key Accounts Manager in the FMCG sector, I was responsible for building and managing strategic relationships with major retail and institutional clients, driving sales growth through effective contract negotiations, product launches, and promotional activities. I collaborated closely with cross-functional teams and BTL agencies to ensure flawless execution of trade marketing initiatives, while continuously analyzing account performance, market trends, and customer needs to optimize business outcomes and ensure long-term client satisfaction.
- ✚ Drove contract negotiations and spearheaded product launches at major national key accounts, including Metro and Makro Cash & Carry, Hyperstar/Carrefour, CSD, and USC.

Federal Distribution & Marketing (Kolson), Lahore, Pakistan (Oct 1999 – Sept 2006)

Worked as ***“Field Manager”***

- ✚ Supervised **Key Accounts** and **Institutional business**, including 4/5-star hotels, transport terminals, CSD & USC, leading educational institutions, as well as the **HoReCa** segment, focusing on top caterers in Lahore.
- ✚ Organized and executed cooking shows, product demonstrations, recipe development, trade exhibitions, marketing initiatives through BTL activation agencies, product launches, and related activities.

PROFESSIONAL QUALIFICATION

- **Preston University, Lahore, Pakistan (1997 – 1998)**
MBA – Marketing
